EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. John R. Hlavka on 3/28/07.

The application has been amended as follows:

Claim 23 has been cancelled.

Allowable Subject Matter

Claims 24-29 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record either taken singularly or in combination fails to disclose a tubular member having a generally circular cross section, a restricting and turbulating structure comprises at least one opposing pair of obstructions having a generally parabolic dimple shape disposed within the tubular member and wherein the entire obstruction of each pair of obstruction are aligned with respect to each other and project into the tubular member until they contact one another to form a dead flow area.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
